# Introduction

## The Alarming Rate of Women's Homelessness and a Call to Action

It's a little-known fact that women's homelessness occurs at a significantly higher rate than is recognized. Sadly, systemic failures to address the crisis only exacerbate the issue, leaving many homeless women feeling hopeless and helpless. Here are some eye-opening statistics to consider:

- Studies indicate that women are more likely to experience hidden homelessness, where they exist out of sight in temporary accommodation, squats, or couch surfing with friends and family.
- Lone adult homelessness is just as likely to be female as it is male, but women are often less visible.
- Domestic abuse and other forms of gender-based violence are almost universal experiences for women who find themselves homeless.

Did you also know that there's an organization in your area dedicated to raising awareness and assisting single homeless women?

Divine Rest is that organization, and they need your help.

# About Us

Since its establishment in February 2008, Divine Rest has been a reliable resource for women who require a fresh start. As a 501c3 nonprofit organization, we offer guidance, support, and housing to cater to the needs of single homeless women in and around Savannah. Our assistance has positively impacted the lives of hundreds of women by providing temporary housing and supportive services.

This year marks our 16th anniversary of supporting homeless women in our community. We have consistently visited Tent City to distribute water and provide temporary housing, as well as assist with transportation needs. Through partnerships with corporations like Hanes, we were able to provide much need socks to our homeless neighbors.

Divine Rest has teamed up with businesses and other organizations to tackle the growing issue of single homeless women in our area. Our mission is to provide these women with a stable, secure home and equip them with the resources needed to thrive and flourish outside of homelessness. Your sponsorship will help us achieve this goal and get these women off the streets. Together, we can create a safe, supportive environment where these women can learn important life skills and lead successful, independent lives.

## Vision

Our goal is to provide essential support to single homeless women in the Savannah and surrounding areas, enabling them to overcome homelessness, and achieve long-term success and fulfillment.

## Mission

To give single homeless women without children more than just a place to lay their heads, but to equip, encourage, and empower them with the skills to enhance their quality of life.
